

Oaklands House

Key facts summary

Key information

Number of rooms:	78 rooms
Home manager:	Byron Nadgie
Regulation:	We are registered and regulated by the Care Quality Commission (CQC), the independent regulator of health and social care in England. Our current rating is Good (March 2021).
Care types:	We provide residential, dementia, nursing, respite and end of life care.
Staffing:	The home is run by a home manager who is supported by a leadership team, comprising leads in care, maintenance, housekeeping and wellbeing. We regularly review staffing levels and adapt them to resident needs. We use a dependency tool to help us make informed decisions about how many staff we need each day, based on the number and needs of residents. Our home manager can provide further information about staffing arrangements if required.
